PROFILE

I'm a 24-year-old Computer Science BSc graduate with a passion for software development and a diverse background in customer service, education, and entrepreneurship. My journey through various roles has equipped me with a unique set of skills and a strong work ethic that I am eager to bring to a software development team.

WORK EXPERIENCE

Cambly Inc. — 2022 - PRESENT
English Tutor

- Maintained organised files and documentation of each student's progress
- Provided optimal instruction and academic support to students
- Attended workshops and classes to further my professional skills
- Developed and implemented a well-rounded and age-appropriate curriculum

Centauro — 2023 - 2023 (SEASONAL)
Fleet Manager and Rental Agent

- Utilised sales techniques and strategies to build customer relationships and close sales, resulting in being promoted to second in command
- Developed and implemented an efficient fleet management system that reduced vehicle downtime
- Attention to detail as customer satisfaction was vital

PELAGOS SUPS — 2022 - PRESENT
Founder

- Monitor and maintain brand consistency across all marketing channels and materials.
- Worked with strong attention to detail and excellent record-keeping abilities, breaking-even within the first 3 months
- Executed excellent management and entrepreneurial skills
